Dear Marc

We, at Firlands Children's Home, are most grateful for your support and extend our heartfelt thanks to you for your generous donation of R1000. We have included your receipt no. 324935.

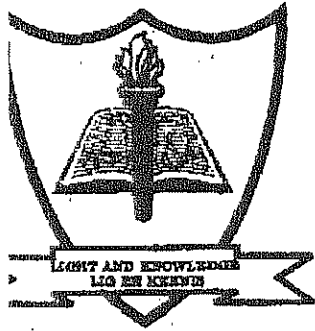

We provide care and development for 60 children, with ages ranging from 3 years to 18 years. We accommodate, without discrimination, children whose future is at risk because of circumstances outside of their control. They are placed in our care by the Courts. Even though these children are actually the responsibility of the State, the Welfare funding is only sufficient to cover about one third of their needs.

The support which we receive from the community is therefore really heart warming and much appreciated.

Thank you and may the Lord bless you abundantly.

Yours sincerely

Dear Ivan Katzenellenbogen,

THE TORCH 2009 has arrived!

We are proud to be able to hand to you a copy of the "**THE TORCH 2009**" magazine.

Your advert appears on page 40. Your company purchased a full page colour advert.

Without your support, Northcliff Primary School would not be in a position to provide each family with such a high quality magazine, free of charge. In this magazine, we proudly advertise your company and show off our school, its pupils and their amazing talents.

Thank you for making this possible.

Yours sincerely

Mrs Botha and the Torch Committee
